FROM THE PRINCIPAL

Prayer
Dear God
may we meet mercy each day,
In light of our own heart, at the hands of our
loved ones,
In the eyes of the stranger and the needy.
If by chance we do not at first meet it,
then may we search our heart for it,
Listen patiently for word of it, and it will tap
us on the shoulder,
A quiet surprise, a small gesture,
given and received in the encounters of
our day.
We pray for the strength to be filled with
mercy as we walk on this, our precious
earth.
We ask all this through Jesus Christ,
Our Lord,
St Norbert, pray for us

Dear Parents, Guardians, Students and Staff of St Norbert College

The Parent Seminar: Surf On-line Safe, facilitated by Paul Litherland was informative on Tuesday evening for the parents who attended. The evening, supported by the College Parent Committee, was inspiring and engaging. Paul, a former Police Officer of more than 20 years, worked in the field of Technology Crime. His coal face experience dealing with cyber- crimes in addition to being a parent of a teenager, was of great interest although somewhat confronting. Paul will be presenting to our Year 8 classes later in the year.

Last week we welcomed many new families to the College at the Year 7 2017 Parent Information Evening. It was lovely to see many families attend with younger brothers and sisters to listen to a brief overview of what is in store for our upcoming new students. Thank you to Year 7 Coordinator, Ms Carrol Abel, the Leadership Team and all Heads of House and Heads of Learning for leading our families through life at St Norbert College. The 2017 enrolments are full and at present we are completing enrolment interviews for Year 7 2018. Parents are asked to please ensure you have submitted applications for your children currently in Year 5 if you wish them to attend St Norbert College.

As you are aware from previous newsletters, our Performing and Creative Arts students and staff have had a very busy term. This week we received excellent

REMINDEERS

- Tuesday 13 September, Creative Arts Exhibition, Opening Night, Br Pat Centre, 6.00pm - 7.30pm
- Tuesday 20 September, New Year 7 (2017), Placement Test, Br Pat Centre, 4.00pm-5.00pm
- Friday 23 September - Term 3 concludes
- Term 4 Commences - Wednesday 12 October 2016 - Summer Uniform
news from the Catholic Arts Office that one of our senior contemporary bands, “No Recess” is the recipient of the shield for the Contemporary Band section. Congratulations to all students involved and to Ms Alicia Walter. Although the Catholic Performing Arts Festival is drawing to a close, the College Showcase of Music, Dance and Drama performed on Thursday evening. Congratulations to all students involved in Performing Arts. The standard of performance has been very impressive. The Opening Night of the Creative Arts Exhibition in the coming week on Tuesday 13 September is also a night not to be missed. Please come along to view the artistic talents of our students and place your vote for the “People’s Choice Award”.

The College ACC Athletics Team was announced at the assembly on Wednesday morning. Congratulations to all athletes on their selection, which is based on athletic ability in addition to commitment to the training sessions. The team is scheduled to compete in the C Division ACC Carnival on Friday 16 September. The ACC team along with the entire College community was very excited to welcome former student and Olympian Peter Bol to the assembly. We are all so proud of Peter and his dedication to achieve his goals and to compete at the highest level. My sincere thanks to Peter for returning to speak with our current students.

A date to place in your diaries for Term 4 is the Awards and Presentation Evening held at the Perth Concert Hall on Monday 31 October. This is a compulsory event in the College calendar, so please plan ahead. One of the awards presented on this evening is the Br Patrick Doolan O Praem Award. In honour of the memory of Br Patrick Doolan O Praem, who passed to eternal life in January 2006, a medal carrying his name is presented annually to a member of the College staff who has given outstanding service to the College. I invite parents and students to nominate a staff member whom they believe fits the “outstanding service” criteria. Written nominations should be lodged with Mrs Angela Hughes by Friday 21 October 2016. In closing I ask parents and members of our community to please keep staff member Mrs Donna Meloncelli and family in your prayers. Mrs Meloncelli’s husband Andrew passed away suddenly on Sunday. May perpetual light shine upon him.

God Bless
Mrs A Morey (Principal)

FROM THE DEAN OF STUDIES

JAPANESE EXCHANGE-SEIJO

On Friday 26 August, we farewelled our fourteen exchange students and two teachers, Mr Shin Harada and Mr Mamoru Noda from Seijo. Host families were entertained with a beautiful song and speeches made by each student.

Once again I would like to acknowledge the generosity of our wonderful host families who opened their homes to our visitors: THANK YOU- Jones, Fuentes, Janowicz, Perkins, Hellmrich, Reder, Midgley, Jabagat, Ngo, Schofield, Floyd, Feng, Gumba and Macalalad families.

Mrs Anna McKenzie returned from parental leave and did an exceptional job with the ESL lessons. Thank you again to Mr Barry Groves and Mr Robert Preston who coordinate the program.

Thank you to all the Seijo and St Norbert students for your involvement and friendliness. Many new friendships have been formed that may be rekindled during our Japanese Tour in April 2017 when our students will be hosted by Seijo families.

YEAR 11 EXAMS-CHANGE OF DATES

The exam period will now run from Thursday 10 November until Thursday 17 November. Students will still be required to attend school on Friday 25 November to receive their Statement of Results. We urgently need supervisors for the Year 12 Examinations occuring during the October holidays. ...If you can spare 2-3 hours from Monday 3 October to Monday 10 Octobeer, please contact Mrs Tracey Burgoyne tburgoyne@norbert. wa.edu.au or 9350 5433.

HONOURS

Congratulations to the following Year 12 students for achieving Honours at the College Assembly on Wednesday in recognition for their outstanding contributions to the College.

Ms S Rainford (Dean of Studies)

**EXCERPT FROM SPEECH MADE AT COLLEGE ASSEMBLY**

*Imagine working hard towards a dream that no one sees, making sacrifices that people don’t understand, going through roads no one else would and after 5 years the dream becomes a reality.*

As most of you would know last month the Olympic Games took place in Rio, Brazil and I had the opportunity of representing Australia in the 800m. Being an Olympian has been my goal for 5 years and you can imagine the excitement and emotions of reaching a long term goal. As most of you would know while possible, being an Olympian is no easy task and there are no processes or procedures you can follow that would guarantee your selection. I personally followed 3 steps that I believe guaranteed my selection in the Australian team, which are Faith, having a strong support team and enjoying process.

"Prepared For All Good Works"
FAITH:
To be selected to represent Australia in an event such as the 800m you need to be in the top 3 runners in the Country. One of the most important elements in achieving a goal is to have faith and confidence that within time and patience you can be the fastest in the country. I personally had faith that “God would never let me dream a dream that I couldn’t handle or achieve”

SUPPORT TEAM:
One of my favourite African proverbs:
“If you want to go fast, go alone, if you want to go far, go together”. I truly believe I wouldn’t be where I am today or have achieved half of the accomplishments I’ve achieved without my family who have been my support always and during the most difficult times, my mentor, friend and biggest supporter Brian Moore (Mrs Leahy’s dad) who shared the same vision and showed the highest interest. To Helen Leahy (Former Head of House-Premontre) who I’m forever grateful to have had as a teacher and role model guiding me towards my talents when I didn’t see them, and to all of you at St Norbert College for the encouragement.

ENJOY THE PROCESS:
Most importantly enjoy the process. Literally everything that comes along the way, the good and the bad. I can truly say running is my passion and regardless of what results and outcomes I will always enjoy it.

When you enjoy the journey, the results don’t matter and the journey is a process.
I would like to wish the ACC team all the best for the upcoming carnival. Remember while we may be from different Houses – we are going as St Norbert College. Support each other where you can and enjoy it. To all of the Year 12 students enjoy your final months and all the best with the exams.

Thank you
Peter Bol, 2016 Olympian

With MJ Jansen van Rensburg, who broke Peter’s College record
With Mrs Hels Leahy and Mrs Sam Mark (Peter’s Homeroom Teacher)
R U OK?

Yesterday was national “R U OK? Day”, a day when Australians were challenged to ask this question to those around them, or to make contact with family and friends who they may have lost contact with. The article below reminds us of the importance of having conversations with others in order to ensure we have positive relationships in our lives.

R U OK? is calling on all Australians to reconnect with someone they’ve lost touch with, as new research from the suicide prevention charity reveals one third of us have unintentionally lost contact with four or more family members or friends.

Released on the 8th national day of action (Thursday 8 September), the research shows that 24 percent of us have stopped talking with four to eight loved ones, and a further 10 per cent of us with nine or more people.

R U OK? Campaign Director Rebecca Lewis said that today’s the day to make a promise to change that.

“As a community and as individuals, we’re stronger together and it’s important that we make more time for the people we care about,” Rebecca said. “Use today as an opportunity to start a conversation with someone you were once close to, as well as reach out to anyone you’re worried about. Then, make a commitment to be there for one another throughout the year.”

Adding his voice to the call for regular, meaningful conversations between family and friends is Prime Minister Malcolm Turnbull.

“The more we talk, the more people are encouraged to seek help,” Prime Minister Turnbull said. “Checking in with each other is something we can all do to help those around us. So if you think someone you know might need help, ask the question: ‘Are you ok?’”

R U OK? Conversation Expert Professor Nick Glozier said we’ve all got what it takes to be there for one another – because it ultimately comes down to listening and not judging what someone wants to share.

“Once you start a conversation and a mate opens up, don’t rush in or leap to conclusions,” Nick said. “It’s important that you listen to what they have to say and guide the conversation with more open questions. Don’t try and fix their problems - or provide the answers - but help them to identify what they can do to better manage the load.”

For support at any time of day or night, call Lifeline on 13 11 14. For more info, visit ruok.org.au.

For further information please go to: https://www.ruok.org.au/r-u-ok-calls-on-australia-to-reconnect-to-prevent-suicide

The Pastoral Care Team

PERFORMING ARTS

DANCE AT CPAF

On Wednesday 24 and Thursday 25 August the St Norbert College Dance students attended the 27th Annual Catholic Performing Arts Festival at the Perth Convention and Exhibition Centre. Over the two days, 72 dancers worked extremely hard and performed in four separate routines.

The Junior Dance Club danced beautifully to “Wonderland” and our Senior Dance Club proved that they were able to conquer “Mission Impossible”. Thanks and congratulations must go to Miss Hughes for the monumental effort of running our Dance Clubs in 2016.

This year we also entered two student led and choreographed routines – Canons Hip Hop Crew were “Victorious” in their routine, which was choreographed by Jasmine Perkins and her sister Destiny Perkins. St Norbert College Tap Troupe was a new group for 2016 and was led by Emily Palermo and myself. Both Emily and I were really proud of the tap troupe that danced to “Hit The Road Jack”.

The adjudicator reports were all very encouraging with some useful comments and we all had a fantastic time. I would encourage any student with the love of dance to participate in our co-curricular dance troupes. It is an opportunity to develop new friendships, learn new things and have a great time while supporting and representing the St Norbert College Performing Arts Department.

Matilda Jenkins (Performing Arts Captain)
HUMANITIES

AUSTRALIAN GEOGRAPHY COMPETITION

In May this year, students from Year 10 Humanities and Social Sciences classes and the Year 11 and 12 Geography classes participated in the 2016 Australian Geography Competition. The students answered questions based on mapping skills and focused around natural and human geography. Congratulations to the following students who achieved certificates for outstanding performances, in their respective year levels.

COURAGE TO CARE

On Friday 2 September, Year 10 HASS Mainstream Class 1 and Year 11 Modern History students were involved in the Courage to Care Program at Edith Cowan University, Mt Lawley. Students participated in an outreach program as part of B’nai B’rith, the world’s oldest Jewish Service organisation.

The education program explores an exhibition that celebrates the people who had the courage to care. Ordinary people whose acts were extraordinary in their bravery and impact. It tells the story of individuals who, in the darkest moments of the 20th century chose to stand up and confront discrimination and injustice, often risking their own lives and sometimes also those of their loved ones, to save others. Their stories are an enduring example of the power of the individual to make a difference, and a poignant reminder that it is our own choices that determine if we remain bystanders, or become ‘upstanders’ who take positive action in the face of discrimination, prejudice and bullying in our everyday lives.

Students learnt the importance of standing up to bullying and prejudice whenever it occurs and understanding of the roles of victim, perpetrator and bystander, by exposing them to survivors of the Holocaust and their rescuers. Courage to Care empowered our students to take positive action in relation to discrimination and bullying in all forms, not to be bystanders, but to make a difference whenever possible. An excellent experience for all involved.

Miss D Pisconeri (Humanities Teacher)

PARLIAMENT HOUSE

On Monday 29th August, a group of students from our College were invited for lunch at the Parliament House by our local member for Cannington, Bill Johnston.

The three-course meal was excellent: we could choose entrée, main course and dessert from a menu that offered a high-quality selection of delicious food; the service too was outstanding, as waiters served us with manners and poured soft drinks as soon as our glasses got emptied. Probably the most challenging aspect for us was to understand which fork had to be used for each course.

During lunch we asked questions to MP Johnston on his political views and the reasons why he became a politician; in turn, he asked us what some issues in our local areas are and what we would like to change. For each topic we had a pleasant conversation about possible solutions, learning a little bit more about Western Australian political structure and decision-making.
TOM is a problem-solving program that aims to enhance the potential of our students by working collaboratively as a team within a challenging environment. St Norbert College entered a team of seven members in this year’s Regional Metro Challenge. The team members worked tirelessly before school and during lunchtime. Congratulations to Samuel Rowlands, Ira Sanchez, Janodi Weeransinghe, Aldric Ratnasekera, Dawn Saji, Edwin Liju and Sanju Joseph in the Engineering and Mathematics Regional Challenge and who have made it through to the State final this weekend in the Engineering and Mathematics Challenge.

Best of Luck to all our team members.

Mrs C Miranda (Academic Excellence Coordinator)

As we left the dining room, MP Bill Johnston gave us a tour of the Lower House chamber, where he outlined its history and the way this branch of our Parliament works. Then, he showed us aerial photographs of the building, taken at different times in history: it is incredible how it has changed over the decades.

Overall, it was a great day: supporting public transport, learning about political decisions and, especially, enjoying fine food. What we all appreciated was to do something that not everybody gets to do.

Lachlan Bunyan (Year Ten, M4) and Dr Runco.

BOOK WEEK

Book Week is an annual event where schools and public libraries across Australia spend a week celebrating books, authors and illustrators. Here at the College we celebrated the occasion from the 23-26 August. A number of activities took place in the English/library classes and around the School.

On the Wednesday, 36 staff members put aside their professional dress code and came dressed as book characters. Among the Characters were Prince Charming who arrived, with an elegant shoe, looking for his Cinderella. The Cat in the Hat was out and about, keeping in line his friends, Thing One and Thing Two. Bellatrix Lestrange and Professor Sprout from the Harry Potter series visited as well as Death and his grand-daughter, Susan Sto Helit, from the Discworld series.

During the Library lessons most Year Seven, Eight and Nine classes had the opportunity to present a short talk on a story they had enjoyed reading. The story could be from any time in their life, and they had the freedom to talk about any aspect or character. Rather than presenting to their class they took part in a ‘Mystery Skype’ session with another College class.

From the talks it emerged that the most popularly read series was Jeff Kinney’s, “Diary of a Wimpy Kid” series. The most popular individual book was” The Very Hungry Caterpillar” by Eric Carle. Many students fondly remembered Carle’s story being read to them as children.

The week ended with a visit from Pokémon Go characters, who were hiding around the College reading. Students could just find them or enter a competition to locate the characters and their books. The winner of the competition was Hayleigh.
Lucas. Hayleigh correctly captured all Pokémon and their books. Merits to locating most of the characters were given to Anne-Clarice Jacob, Teyharna Curry, Namdent Nurokina and Dimitri Laboudeuse. Such an event does not take place without a lot of planning, preparation and support. Thanks must be extended to the English Department who enthusiastically embraced the events and who were willing to adjust lessons to accommodate the ‘Mystery Skype’ sessions. Thanks must also be given to the Library staff, Ms Bridges and Ms McKenna who worked tirelessly in the weeks leading up to and during Book Week to ensure the week ran smoothly.

ITALIAN EXCHANGE

Once again a group of Italian exchange students enjoyed a “full immersion” into Australian culture and scholastic system, that is so diverse from Italy, at St Norbert College. The students participated in various activities offered by the school including a zoo visit, the Interhouse Athletics Carnival and the Year 11 Dinner Dance.

Here is an exchange student’s experience:
“I’m Alessandra Monico and I’m 16. I’m from Novara, in the north of Italy. During my time in Perth, I visited Pemberton with my hosts, the Moro family. I also visited Wave Rock. I attended a Dockers football game, so different from soccer!... ..I love sausage rolls, but I hate Vegemite!”

Thank you to all families who hosted the exchange students, allowing them to have an unforgettable Australian experience!

Ms D Tersigni (Italian Teacher)
WA JAPANESE SPEECH CONTEST: 2ND PLACE FOR JOYCE ZHUANG

On Saturday 27 August the Japanese Language Teachers’ Association of Western Australia ran the annual Japanese Speech Competition at the University of WA. To cater for all year levels, there are five divisions: Primary, Junior High, Middle High, Senior High and for the first time in 2016, there is a University level. The winner in each division travels to Sydney for the National Final.

Students spoke for three minutes in Japanese on a topic of their own choice. Using notes was not permitted and after their speech, they were asked questions relating to their topic for a further five minutes, in Japanese.

Year 11 student Joyce Zhuang competed in the Senior High Division—against 20 students representing schools from across WA. In a division dominated mostly by Year 12 students, Joyce achieved a second place, which is a fantastic result.

The subject of Joyce’s speech was “My Gift For The Future”, which was inspired by her recent family visit to China. She was shocked by the pollution in the rivers, which has made her determined to take action to help make the environment less polluted for the family and future generations.

Joyce delivered her speech with strong and very confident fluency, and her intonation was particularly impressive. She answered the range of questions from the native speaker Japanese teacher, with solid detail and preciseness.

Congratulations Joyce on an exceptional performance in the 2016 contest.

Mr A Godden (Japanese Teacher)

MUSIC

TERM 4 INSTRUMENTAL LESSONS

A reminder that students wishing to withdraw from instrumental tuition at the end of Term Three, must provide a written request from a parent or guardian by no later than Monday 12 September, 2016. Failure to observe with these guidelines (as noted in the 2016 Parent Information Booklet), will result in full payment of Term Four fees regardless of whether or not the student continues lessons. Thank you for your cooperation with this matter.

If you would like to begin instrumental tuition or join one of the many College ensembles, please contact Mrs Freind, Music Administrator on 9350 5433 or email kfreind@norbert.wa.edu.au.

Ms A Walter (Head of Learning Area - Performing Arts)

SRC

YEAR 11 DINNER DANCE

The Year 11 Dinner Dance was held on 4 August, at the Tompkins on Swan in Attadale. It was a magnificent night with beautiful room decor and table centrepieces projecting the Great Gatsby theme. The Year 11 SRC members, with help from Mrs Silva, Miss Humphry and Miss Pisconeri, worked hard each week to make this night a success.

The students and teachers shared a beautiful three-course meal and dancing was the focus of the night. Mrs Morey, our College Principal joined us on this spectacular night and along with several teachers, judged the students on their dance moves in a quickstep and waltz routine.

The students had been going to dancing lessons twice a week during lunchtimes in the lead up to the event and their level of dancing skills make it a hard decision for their dance teachers Miss Hughes and Grace Clements (Year 11 student) to choose the final winners. Three couples were chosen to perform a freestyle routine for the final round, which resulted in a win by Lucas Kininmonth and Jasmine Perkins.
The staff also had to choose the best-dressed students and given the amazing high standard of dress this too was difficult. Aayana May and Shane Than took out the award. Thank you to Mrs Morey, the SRC teachers and student body, Miss Hughes and Grace Clements and the Media Team for a great night.

Year 11 SRC Dinner Dance Committee
On Friday 19 August, all staff were involved in Christian Service at various locations around Perth. We then assembled back at the College to share our experiences. The day was concluded with a staff liturgy.

Five staff spent the morning cooking up a storm for the 35+ residents at the Emmaus Community in Queens Park. We used the Food Technology room at the College to prepare and heat the meal, then carried it across the road and shared a lunch of Penne Bolognese, Creamy Potato Bake, Green Salad, Apple Cream Pie and Cupcakes. There were plenty of leftovers for the residents to enjoy for dinner, or the next day!  

Samantha Mark
I felt very privileged to be able to do my service at Durham Road School, the largest Education Support School in the State. I saw inspirational teachers and Teacher Assistants in action working with the most amazing children. They displayed such joy in what they do and I am convinced that they have such a significant impact on the children’s progress in communication and social skills. It was difficult to leave and to not be effected by the experience.  

Sharon Rainford
The staff at the Red Cross welcomed us warmly and this reflects the feeling in the organisation, the care and compassion in each area we visited was palpable. We were in awe of the wide and varied work they do which has such an impact in the local, national and international community. It was a humbling and energising experience that I am grateful to have had.  

Penny Mulley
Working at the Epiphany Centre is a great service put forward by the administration of St Norbert College. I enjoyed working alongside other staff members of the College, but also meeting and sharing ideas with the staff at the centre. This can only be positive of all involved.  

Darryl Gale
To reconnect with the Epiphany Centre was something that created great joy for them. The work on the pergola posts was something the St Norbert College men we so suited too, as the staff at the centre are quite mature and were enormously grateful. A strong feeling of camaraderie was established in just a few short hours. Thank you to St Norbert’s for the opportunity  

Monica Fitzgerald

SPORT
SEASON WINDUP

AFL Football windup was held this week. All the College teams got together to share pizza and stories of great marks and exceptional goals. Coaches mentioned the dedication of players and parent supporters that made 2016 a great year for football. Those acknowledged received a dockers football, and the fairest and best of each team received a medallion. A representative from the St Norbert Ex-Students Association (SNESA football club) came down to invite players to join the club and present the Damien Flanagan Trophy for fairest and best player in the Senior Boys team. Congratulations to all students involved and we look forward to the next preseason.  

Mrs M Silva (Senior Boys AFL Team Manager)
COLLEGE SPORTS AND CO-CURRICULAR PHOTOGRAPHS

College Sports and Co-curricular group photographs will take place on Wednesday, 14 September, 2016 (Term Three, Week 9).

Any students who have participated in representative sporting and/or co-curricular activities throughout the year will need to attend group photographs. The schedule and requirements for the day have been emailed to each of the students.

It is important that all students are in attendance for their respective group photos so please keep this day free from appointments.

Uniform requirements for the groups are as follows:

- Sports groups – full tracksuit with College sports shirt and correct sport shoes.
- Junior and Senior Dance Clubs - Full College Dance uniform with tan jazz shoes
- Hip Hop Crew - Full College Dance uniform with black Hip Hop shoes
- Non-sports groups - students are required to wear their full winter uniform (white College socks for girls)

A catch-up session will take place for some groups during the following week (Wednesday 21 September) which has been communicated in the schedule.

Your ongoing support in maintaining your child’s uniform and personal presentation standards is always appreciated. Please be aware these photos are used for official purposes, including the College Annual. As such, if your child does not meet College standards they are at risk of not taking part in the sports and co-curricular photos and hence their photo will not appear in this publication.

Please contact Roger D’Almeida (rdalmeida@norbert.wa.edu.au) if you have any queries regarding this matter.

Mr R D’Almeida (College Photograph Coordinator)

BREAKFAST CLUB

If you have a spare hour in the morning from 7.30-8.30am, Breakfast Club desperately needs your help. We cater breakfast for anywhere between 50-100 students each morning and cannot continue to sustain this without the help of some parent volunteers. A great way to help our College community. Please contact the Miss Stacey Fairhead at the College for details on 9350 5433 or by email at sfairhead@norbert.wa.edu.au

The Uniform Shop

Opening Times Term Three
Monday 8.30am - 11.30am and Thursday 1.00pm - 4.00pm

SCHOOL HOLIDAY OPENING TIMES:
Thursday 29 September 1pm - 6pm
Thursday 06 October 9am - 1pm
Monday 10 October 9am - 12noon
Wednesday 12 October 8am - 9am (First day of Term Four)

Normal Opening Times Term Four
Monday 8.30am – 12 noon and Thursday 1.00pm - 5.00pm
CREATIVE ARTS EXHIBITION

St Norbert College - Br Patrick Forum and Cappenburg Centre,
135 Treasure Road, Queens Park.
Opening Night, 13 September 2016, 6.00pm-7.30pm,
Opening Times 13-15 September 2016, 8.30am-4.00pm.

www.norbert.wa.edu.au
In order to ensure the future of our Breakfast Club, we are seeking the help of parent volunteers. Parents who have children that attend the College’s morning sport and dance training, or who have time to spare from 7.40am until 8.20am are encouraged to volunteer.

Please help us to keep Breakfast Club going!

For more information please contact Stacey Fairhead, Breakfast Club Coordinator at the College on 93505433 or email: sfairhead@norbert.wa.edu.au
The aim of the WorkPrep Partnerships Program is to connect schools to industry to provide opportunities that prepare students for the challenges of 21st Century work. The focus is on developing core work skills and initiative by learning on the job.

**WORKPLACE PROGRAMS**

**WorkPrep Workplace Learning Program (Year 11 and 12 students)**

This program is endorsed by the School Curriculum and Standards Authority and counts toward graduation.

**2016 Dates**

Semester 1: 18 February to 19 May (12 days in total, one day per week)
Semester 2: 16 June to 15 September (12 days in total, one day per week)

**Benefits to Students**

- developing first-hand experience in a real workplace in preparation for the transition from school to work
- developing competence in the core skills for work
- enhancing an understanding of the link between school studies and work
- developing career pathways that help students decide if a particular industry or job is right for them.

**Benefits to Industry**

- developing in young people a realistic understanding of industry expectations and standards
- giving employers a valued training role in assisting young people in acquiring workplace skills
- providing access to a pool of pre-skilled and immediately productive young workers from which employers can recruit
- providing a direct link to schools and the opportunity to make education more relevant to industry needs

**WorkPrep Taster Program (Year 10 students)**

This school developed program serves as an introduction to the world of work.

**2016 Dates**

Semester 1: 27 June to 1 July (5 day block release)
Semester 2: 19 to 23 September (five day block release)

**Benefits to Students**

- developing competence in the core skills for work
- enhancing an understanding of the link between school studies and work
- developing career pathways that help students decide if a particular industry or job is right for them.

**Benefits to Industry**

- developing in young people a realistic understanding of industry expectations and standards
- giving employers a valued training role in assisting young people in acquiring workplace skills
- providing access to a pool of pre-skilled and immediately productive young workers from which employers can recruit
- providing a direct link to schools and the opportunity to make education more relevant to industry needs

**Workplace Visits**

The school identifies students with aspirations to work in a particular industry. These students can visit your workplace premises for a “show and tell” session to give them exposure to a real workplace and job roles in that industry area.

**2016 Dates**

These tours can be arranged at any time but normally take place in October-December.

**Enterprise Projects**

Enterprise Projects are simulated or real-life activities that students undertake in teams to develop entrepreneurial behaviours.

These are completed at school through the guidance and mentoring of industry partners who provide the project conditions and information for students.

**2016 Dates**

Students will complete their enterprise projects from September - November.

If you are interested in partnering with St Norbert College for any WorkPrep Programs please contact the College.

WAIVER OF ALL CLAIMS.

I understand by entering this competition I do so at my own risk. I am fully aware and fully understand that there are major risks involved with participating in BMX, skateboarding and scooter competitions. I fully understand that I am responsible for any injury that I occur whilst participating in this competition. Fully knowing these risks I still wish to participate. I understand and agree that the organisers or promoters and sponsors of the event cannot and will not be held responsible for any personal injury, disability, death, property damage or any loss of any kind which may be sustained while I am participating in the said event. By signing this waiver I disclaim any person or company of any liabilities what so ever. On signing of waiver of claims I acknowledge that I must wear a helmet for my own personal safety. I also give my consent to the rendering of proper medical treatment if necessary. I am aware that any cost incurred as a result of an accident will be my responsibility. I agree that any images (still or video) taken at the event by Freestyle Now’s authorised photographer maybe used for further publicity and promotion purposes.

I have read the above waiver of claims and understand them completely.

Signed: ____________________________________________________________

Please note: If the participant is under the age of 18 this form must be signed by a legal parent or guardian. This form must be signed and returned before the participant is able to participate in the events.

What are your children going to do for fitness now winter sport is finishing?

Swimming is a great low impact sport which will keep kids active and healthy.

*Coach Chris’ vision for Victoria Park Swimming Club:*

“Creating champions in and out of the pool”

We are based at the Aqualife Centre so come and meet Chris and try two free sessions to see how your child enjoys this fun sport at a local, community minded club where kids are encouraged to try hard and have fun at the same time. The club supports children who are swimming enthusiasts, swimming for fitness or wanting to swim competitively. Kids as young as 7 (with swimming level above 7) or as old as 18 are welcome. The only Swimming WA affiliated club in the Vic Park area. Kids Sports accepted and fee discounts for Health Care Card holders.

Afternoon training from 4.00pm Monday, Tuesday, Thursday and Friday.
