FROM THE PRINCIPAL

Prayer
Heavenly Father
We praise you and thank you
for this day.
Look with love upon our family.
Bless us and keep us safe.
Guide our coming and our going and
all that we do.
We turn to you in times of joy and
sadness, knowing you are
always there.
We welcome Jesus, Your Son, as the
unseen guest in our home,
Our constant companion, our light and
our salvation.
Keep us together as a close and
loving family.
Amen

Dear Parents, Guardians, Students and Staff of St Norbert College

The Term seems to be flying by with many important celebrations taking place. From the time of our last newsletter, we have farewelled our 2016 Year 12 students with a lovely Graduation Ceremony followed by supper in Ludolf Court. The whole Graduation day had a wonderful spirit of community starting with the breakfast cooked by our incoming leaders for 2017 and staff. Thank you to all staff and students involved in each aspect of Year 12 Graduation and to the families for your ongoing support.

The Year 12 ATAR students commenced WACE examinations this week starting with Physics on Monday morning. Our prayers are with each of our students completing exams throughout the next few weeks.

The Awards and Presentation Evening held on Monday this week, reflected the wonderful talents of our students and staff. The student centred approach to the ceremony is quite unique to our College. Well done to Sanjita Ghimire and Lucas Kininmonth our master of ceremonies for the evening. The night was a perfect mix of formality and entertainment, including the corny jokes! It was also excellent timing that Abbot Thomas Handgratinger, Abbot General of the Norbertine Order (who resides in Rome), is presently visiting Fr Peter and our Norbertine community and was a special guest. Congratulations to all award winners, performers and presenters. Particular congratulations to Miss Kerri Hilton who was acknowledged for 30 years’ service to St Norbert College and to Miss Maureen Smith who was awarded the Br Patrick

TOP TIPS TO HELP STUDENTS COPE WITH ANXIETY
With the graduating class of 2016 currently completing ATAR exams, it won’t be long before the Year 11’s and younger year groups begin to ‘put the hours in’. Below is an article from MindMatters which looks at ways young people can best prepare for this challenging time of the year.

This article by Melissa Heagney appeared in The Weekly Review on 4 October 2016 and is republished with permission.

There’s nothing like those nerve-wracking minutes before turning over the pages of your Year 12 exam after months of intense study. The butterflies in your stomach, the moments spent making sure that your pens work and doing that last-minute revision in your mind. Watching the clock tick over.

It’s this type of high-pressure environment that can affect students’ mental health. But beyondblue policy, research and evaluation leader Dr Stephen Carbone says there are strategies Year 11 and 12 students can use to survive the pressures of exam time.

MENTAL HEALTH MATTERS
Stephen says stress and anxiety in the final years of secondary school are common for students and aren’t necessarily a sign of a mental health condition. “I think anxiety is a normal emotion that everyone gets from time to time and certainly having exams would raise stress and anxiety levels,” Stephen says. “It’s where this builds up to unmanageable levels that it needs to be addressed, where it impacts on day-to-day lives.”

Stephen says a high percentage of mental health conditions are diagnosed in people when they are young – in fact 75 per cent of those who develop a mental health condition do so before the age of 25. beyondblue and other organisations including Headspace offer programs and initiatives to help students not only cope with school-related stress, but also deal with the raft of other issues Year 11 and 12 students can face, including relationship difficulties, body image issues, bullying and challenges at home with family.

Beyondblue offers online information for students and parents including Brave Online, a website offering information and support for young people. “Our focus is raising awareness of how people can look after their mental health and offering support and information for those in need.” Beyondblue also has the MindMatters and SenseAbility initiatives, which provide information to secondary schools about helping students build the skills they need to deal with the stress and anxiety associated with studies (and those other issues). “It’s really about giving students the skills to build emotional and psychological resilience,” Stephen explains.

BEYONDBLUE’S MENTAL HEALTH INITIATIVES
- brave4you.psy.uq.edu.au
- mindmatters.edu.au
- beyondblue.org.au and follow ‘healthy places’ then ‘secondary schools and tertiary’ on the dropdown menu

STRESS-BUSTING STRATEGIES
Stephen says there are a number of other strategies for students to survive their final weeks at school by staying healthy, active and positive throughout the stress of final exams.

Regular exercise is recommended, generally and especially during exam time. Something as simple as taking a walk between studying can get the endorphins moving through the body and reduce stress.

HUMAN BIOLOGY

PASTORAL CARE

YEAR 11 HUMAN BIOLOGY EXCURSION

On Wednesday 26 October our Year 11 Human Biology students had the opportunity to attend the Harry Perkins Institute on a whole day excursion. The Institute provides students with the opportunity to experience a medical research facility and learn about the various types of research occurring in our own city. Students have been learning about the differentiation of stem cells and the excursion provided the opportunity for them to prepare and view adult liver stem cells.

"The Year 11 Human Biology excursion to the Harry Perkins Institute provided a really fun and interactive way of learning. We were guided through the process of thawing and preparing liver stem cells ready for investigation and were able to show off our knowledge versing each other in the 'Stem Cell Amazing Race'. Thank you to Miss Fairhead and Mrs Kremer for organising the excursion, we had a fantastic day of learning." Lauren Moro, Yr 11.

Miss S Fairhead (Head of Learning Area – Science)

Eating healthily is highly recommended – although it’s also a good idea when students aren’t facing a stressful time. Students should make sure to take regular breaks away from study.

“Having enough sleep is a big one – it’s really important for young people to have a stable sleep routine, particularly over the exam period, because it actually consolidates learning,” Stephen says.

“You can’t keep burning the candle at both ends and expect to do well.” He says keeping a healthy perspective about their studies and stress is also important for some students.

Talking to family and friends – particularly if they have been through their final years of secondary school – can be a great source of advice and support.

Stephen also recommends students monitor their self talk – that is what is going on inside their head – and challenge any thoughts that may make them think they are going to fail or not do well in exams.

“If you’re too stressed-out you won’t be able to concentrate,” says Stephen. “You should be psyched-up, not psyched-out.”

BUCATINI ALL’AMATRICIANA: BUON APPETITO!

Amatrice is a small town about an hour north-east of Rome. It was devastated by a powerful earthquake, (magnitude 6.2) on August 24, 2016. 278 people died as a result of this earthquake, 53 from Amatrice.

Amatrice is famous for its 14th Century religious landmarks and its pasta dish called “Amatriciana”, made with some unique ingredients such as “guanciale” (cured pork cheeks) and grated “pecorino” cheese (made from sheep’s milk). Bucatini pasta (a large type of spaghetti with a small hole through the centre) is used to make l’Amatriciana.

In recognition of Amatrice’s tragedy, many restaurants in Italy (and around the world) served l'Amatriciana to raise awareness (and funds) for this town. The Year 11 Italian students also experienced eating this famous dish and learning about its origins. “Grazie” to our Italian native-speaker Simona Amato, who organised the ingredients and prepared the traditional “Bucatini all’Amatriciana”. Buonissimi!!

STUDENT MINISTRY

CHRISTMAS APPEAL

Please continue to support our Christmas appeal this year. We are collecting donations of non perishable food items, especially Christmas food and treats as well as small gifts for adults, teenage boys and boys under 10. All donations can be given to Homeroom teachers or directly to Student Ministry. Donations will be presented to the Emmaus Community in Queens Park at the Thanksgiving mass later in the term.

SERVICE TO NORBIE CARE YEAR 7

Our Year 7 students have undertaken their Service Learning with great enthusiasm. Thank you to all parents and family members who have supported this program through baking food for the cake stall and donating hampers for our Norbie Care families within the College.

Ms M Kyd (Coordinator of Campus Ministry)

MUSIC

INSTRUMENTAL LESSONS

No student may commence or withdraw from instrumental tuition without a written request from a parent or guardian. To commence tuition parents must fill in the Application for Instrumental Tuition Form and return it to Music Administration. Once a student is enrolled for lessons he/she is then automatically enrolled for his/her selected lessons from term to term, year to year. A reminder that students wishing to withdraw from instrumental tuition at the end of Term 4, 2016 must provide a written request from a parent or guardian no later than Friday 25 November 2016. Failure to comply with these guidelines (as noted in the 2016 Parent Information Booklet) will result in full payment of Term 1, 2017 fees regardless of whether or not the student continues lessons. Thank you for your cooperation with this matter. If you would like to begin instrumental tuition or join one of the many College ensembles, please contact Mrs Freind, Music Administrator on 9350 5433 or email kfreind@norbert.wa.edu.au

**ELITE BASKETBALL TOURNAMENT**

On Friday 28 October St Norbert College participated in the Elite Basketball Tournament. This year the tournament consisted of combined 7/8 & 9/10 Boys and Girls teams held at the newly built Warwick Stadium. It was a particularly successful carnival with 3 out of 4 teams making it to the Grand Final (Yr 7/8 Girls, Yr 9/10 Girls and Boys). The Year 7/8 girls showed their dominance going undefeated and winning the Grand Final convincingly against Kennedy Baptist College. The Year 9/10 boys narrowly lost to Swan Christian and the Yr 9/10 Girls also had a close loss to Kennedy Baptist College. There was also individual success on the day with the Tournament naming 8 Allstars for each age group. Congratulations to Lainesha Paddon, Talicia Hansen, Nes’eya Williams and Aidan La Brooy on being named the Elite 8 Allstars. Special thanks to Mr Ryan Godfrey and Michelle Fletcher (Development Officer) for their hard work coaching the students on the day.

Mr L Ford (Specialised Basketball Coordinator)

**SWIM SCHOOL OPEN DAY**

From Term 1 2017, our new Canons Swimming Squad Coach, Bernard Mackin from Perth Swimming Academy will be providing the opportunity for College community members to participate in learn to swim programs in the College pool, after school and in school holidays. There will be an Open Day held on Saturday November 26 from 11.00am – 1.00pm for interested parents and children of all ages. See the attached flyer for more information and contact details.

**VACSWIM 2016-17**

**Summer will soon be here - enrol now for swimming lessons.**

Enrolments for December/January lessons are now open. It is important for every child to learn to swim and develop essential water safety skills. VacSwim’s school holiday swimming lessons are conducted by qualified instructors who teach children the skills to be confident swimmers and safe in the water. Children 14 years or older are encouraged to enrol for the higher level lessons and the Bronze Medallion.

For further information and online enrolment visit education.wa.edu.au/swimming.

BUS SERVICE CHANGES FOR 2017

In 2017, there will be some changes to the St Norbert College school bus service routes with an additional service commencing to High Wycombe, Forrestfield and Wattle Grove. Amendments have been made to all routes except Canning Vale, to cater for new students and projected growth. If your child currently uses the school bus service, please check the new timetables for any changes. The changes have been worked through in consultation with our supplier Horizons West. We hope the changes cause minimal inconvenience. http://www.norbert.wa.edu.au/Bus-Service/

ST NORBERT COLLEGE
“SPACE CAMP & STEM TOUR”
FASHION SHOW

St Norbert College cordially invites you to advertise your products at the upcoming St Norbert College Fashion Show in November 2016. The aim of the Fashion Show is to raise funds for our “Space Camp and STEM Tour” which is scheduled for April 2017. You will get the opportunity to promote your merchandise to a large group of people from the local community including teachers, parents and students. There will be no charge to you as a business, only the opportunity to advertise your merchandise in the best possible way.

The show will be organised as a sophisticated evening of fashion, with catering provided. A Masters of Ceremonies will be available to describe each outfit as they are presented on a runway. Business owners are required to provide descriptions of the fashion items by completing information cards which will be made available for each outfit prior to the evening. Models will be sought from the school community: students, parents and teachers. Fittings will be arranged prior to the event.

WHEN: Friday 11 November 2016
TIME: 6.30pm to 8.30pm
WHERE: St. Norbert College – Fr Peter O'Reilly Centre.
135 Treasure Rd, Queens Park, 6107
TELEPHONE: 08 9350 5433
CONTACTS: Bridget Murphy (Head of Learning – Mathematics)
Stacey Fairhead (Head of Learning – Science)
Roger Dalmeida (Physics Teacher)

At this stage, we are seeking expressions of interest from Businesses interested in this initiative. With enough interest, we will then move forward and contact you with more information prior to the event. If you would like to be involved, please fill in the slip below and return it to St Norbert College by Tuesday 1 November.

**TICKETS FOR THE SHOW ARE AVAILABLE FROM STUDENT SERVICES AT $10.00 EACH**

North Metropolitan TAFE Open Days

North Metropolitan TAFE is opening campus doors to the public during October and November.
We will be running information sessions designed to give you a better understanding of the courses we offer including employment opportunities, further study pathways and requirements for studying. During the sessions we will take you on a campus tour where you will get to see first-hand the fantastic facilities available to our students.

All are welcome so feel free to bring along your family and friends too.

Sessions run from 5pm - 7pm (excluding Clarkson campus which runs 10am - 2pm) and we’d love to see you there!

**Changes to VET in Schools for 2017**

1. Qualifications in Business, Sports and Recreation, Design and Visual Arts, and Information, Digital Media and Technology will not be funded for metropolitan schools.

2. TAFE profile funded delivery in these qualifications may only occur where existing commitments were made in 2016 for delivery to Year 12 students in 2017.

3. Students will be limited to one profile-funded qualification for their senior secondary schooling (i.e. year 11 and 12).

4. It is strongly recommended that TAFE profile arrangements be negotiated and managed directly with the school.

**TAFE Applications for 2017 are Open**

Applications are open for Semester 1, 2017 so here's some useful information from North Metropolitan TAFE to help you to get enrolled for next year.

**How to apply**

*For full-time study*, students need to visit [TAFE Admissions](#) and complete an online application. Students will then be required to send in their relevant documentation. They will then receive a Letter of Offer which will invite them to come on campus and enrol (in January 2017).

*For part-time study*, students don’t need to apply for a course. They simply come on campus (in January 2017) to enrol in person on a first-come; first-served basis.

*For apprenticeships/traineeships*, students need to contact the Department of Training and Workforce Development's [Apprenticeship Office](#).

**Key Dates for TAFE Western Australia**

- 9 December 2016 TAFE full time applications close
3 January 2017 Close of Round 2 applications

6 January 2017 1st round offers issued (Full Time Round 1)

16 January 2017 Competitive offers issued (Full Time Round 2)

Mid-January 2017 Enrolments all courses (Full Time Round 2)

Mid-January 2017 Enrolments (Part-time)

30 January 2017 Semester 1, 2017 starts

**VET STUDENT LOANS BILL 2016**

Education Minister Simon Birmingham is working to stop the rorting of the VET Fee Help scheme by some private training providers.

Subject to the passage of legislation, VET Student Loans will commence on 1 January 2017, replacing the current VET FEE-HELP scheme, which will cease on 31 December 2016.

- About 800 courses will no longer be eligible for vocational loans under the new scheme.
- There will be no more brokers giving away laptops in shopping centres if you sign up for a course.
- Search and seize powers are proposed so that some of the money rorted under the scheme can be recouped.

Fact Sheets about the changes can be found at [https://www.education.gov.au/vet-student-loans](https://www.education.gov.au/vet-student-loans)
