## Humanities International Tour 2019 APPLICATION POLICY

St Norbert College endeavours to develop excellent self-aware students, who are given the opportunity to demonstrate and develop engagement in active learning, organisation and reliability by travelling overseas. These skills will translate into our students being active citizens and excellent role models with strong Christian values.

A student who is successful in the application to this tour and is unable to attend periodical meetings (once a Term throughout 2018) needs to inform Dr Runco – Head of Learning Area – Humanities and Social Science via email, outlining the reason(s) for their absence. A student who has been suspended from the College during Year 10 or Year 11 may only participate at the discretion of the Principal and Head of Humanities and Social Sciences in concertation.
